SUMMARY

B.Tech Computer Science student with knowledge of Java, C++, web development, and database management. Passionate about software development and problem-solving, with hands-on experience in building academic and web-based projects using modern technologies.

EDUCATION

Qualification	School/College	University/Board	Year	Score
B.Tech CSE	Amity University Jharkhand	Amity University	2027	7.05
Class XII	Yogoda Satsanga Mahavidyalaya	JAC	2022	80.8%
Class X	Yogoda Satsanga Vidyalaya	JAC	2020	87%

TECHNICAL SKILLS

- **Programming Languages:** Java, C++, Python, C
- **Backend:** Node.js, Express.js ,Spring Boot, Hibernate (JPA), REST APIs, JDBC
- **Frontend:** HTML, CSS, JavaScript, React.js
- **Databases:** MySQL, PostgreSQL, MongoDB,
- **Tools & Platforms:** Git, GitHub, Postman, IntelliJ IDEA, VS Code, Maven
- **Additional Skills:** OOP, DSA, Agile Methodology, Database Optimization, GitHub Contributions, LeetCode Practice
- **Soft Skills:** Public Speaking , Leadership, Communication Skills ,Teamwork & Collaboration, Event Coordination, Time Management

PROJECTS

On-Demand Labor Service Platform

- Developed a web application that helps users find and hire local workers for household services.
- Created modules for user registration, worker profiles, and service booking.
- Built responsive user interfaces using React.js and backend APIs using Node.js and Express.js.
- Stored and managed application data using MongoDB.
- Added location-based search functionality using Google Maps API.
- Implemented secure user login and authentication using JWT.

Technologies Used: React.js, Node.js, Express.js, MongoDB, Google Maps API, JWT, Git

Personal Portfolio Website

- Developed a personal portfolio website to showcase projects, skills, certifications, and academic achievements.
- Designed responsive web pages using HTML, CSS, and JavaScript.
- Created sections for education, technical skills, projects, and contact details.
- Implemented interactive navigation and a clean user interface for better user experience.
- Deployed the website using GitHub Pages for online accessibility.

Technologies Used: HTML, CSS, JavaScript, Git, GitHub Pages.

Temperature Converter System

- Developed a C++-based application for real-time conversion between Celsius, Fahrenheit, and Kelvin temperature scales.
- Implemented modular functions to perform accurate temperature calculations and improve code maintainability.
- Designed a menu-driven user interface to facilitate seamless user interaction and navigation.
- Incorporated input validation mechanisms to handle incorrect user entries and improve program robustness.
- Applied fundamental programming concepts including functions, conditional statements, loops, and exception handling.
- Conducted extensive testing to ensure precision and consistency of conversion results.

Technologies Used: C++, OOP, STL, Git, VS Code

CERTIFICATIONS & ACHIEVEMENTS

- **Smart India Hackathon (SIH) 2025** – Cleared Stage 1 at college level for a on demand labor service platform.
- **IEEE Volunteer – Amity University** – Contributed to organizing and managing an IEEE conference
- **NCC 'B' Certificate**, 2 Jharkhand Air Squadron NCC – Successfully completed NCC training while demonstrating leadership, discipline, teamwork, and community service skills
- **Microsoft Office Certification, Infosys Springboard –** Gained hands-on experience in MS Word, Excel, and PowerPoint for creating documents, managing data, and delivering presentations**.**
- **Effective Communication Skills: Verbal and Non-Verbal Training, Infosys Springboard** – Developed strong verbal, non-verbal, and interpersonal communication skills for effective collaboration and professional interactions.
- **InspireX Workshop Participant** – Learned principles of effective time management, smart financial planning, and personal development for improved productivity and decision-making.
- **Academic Achievement** – Secured 3rd rank in the Matriculation Examination among all students in the school.
- **Speech and Debate Competition Winner** – Secured 1st Prize twice in university-level speech and debate competitions, demonstrating strong public speaking, communication, and critical thinking skills.
